Westminster Senior Portrait Day Instructions:

Report to the Pressly Meeting Room. If you are in the Campbell parking lot looking at Pressly, go to the doors on the left.

There is a \$50 sitting fee. We accept cash, check or credit cards.

Formal pictures will be made first. Portraits will be made on a standard painted background as well as solid black. Boys are asked to wear a coat and tie. We will supply the black drape for the girls. Girls should bring a tube top or something strapless to wear under the drape.

Casual pictures will be made next. These will be made outdoors around the campus. **We allow (and recommend) outfit changes.** This gives you a variety of choices. You may also bring your dog, siblings, car, musical instrument, family or whatever you would like as part of your photographs

.

Other instructions:

We want to make the best photographs possible. With the technology available, we can make some minor changes to images without much trouble. Basic facial retouching is included in the finished product. However, things such as stray hairs, facial hair, and wrinkles in clothing are not so easily repaired and can be a bit costly.

Most outdoor pictures will be from the waist up, but just in case, please make a wise choice of shoes.

Remember:

Any students photographed in June will receive a sheet of wallet photographs **at no charge**. All orders postmarked by July 15th will receive an additional sheet of wallets **at no charge**.

Thank you and we'll see you on picture day,

Jim Matthews
